**AFFIDAVIT**

Comes now petitioner in the above-styled cause, pro-se, unlearned in law therefore subject to error, respectfully, and in good faith and submits the following affidavit:

BEFORE ME, the undersigned Notary personally appeared, Jeffery Baker Jr, who after being duly sworn, gives states the following:

My name is Jeffery Baker Jr, I am over the age of 19 years, and I have personal knowledge of the information herein stated.

On or about March 29, 2006, the respondents by and through their attorney, Mr. Cecil G. Brendle filed answer to the petitioner's petition for habeas corpus relief. On April 3, 2006, petitioner contacted the office of the Clerk for the United States District Court For the Middle District of Alabama to ascertain whether or not respondents had in fact filed the Court ordered answer. According to information received from the clerk, respondent certified in their answer that a copy of the answer had been mailed to petitioner at 1353 County Road 3348 Brundidge, Alabama.

Petitioner denies any such answer or copy thereof has been received at 1353 County Road 3348 as of this date. Petitioner believes he is entitled to a copy of any document filed in the cause by respondents and/or their attorney(s). Petitioner hereby object to the continued violations and deprivations of the most fundamental and professional obligations. I make this affidavit for the purpose of maintaining an accurate record of the copious obstacles placed in the path of petitioner's Constitutional and State law Rights by certain individuals charged with the proper administration of justice.
